

9th June

CONTACT – please use the admin@nestonpri.cheshire.sch.uk if you have any questions. If you ring school, you may be only able to leave a message, as the office is not 'manned' at this time. We will respond as quickly as possible to any questions or queries

Home Learning - To help simplify things a little – we hope! We have created a separate e-mail address for the 'Chief Elf' – Mrs S Tedford. If you require paper copies of work-packs you can now e-mail her directly using the e-mail address:

homelearning@nestonpri.cheshire.sch.uk

Please direct any questions you have regarding the work to the teacher, via the class e-mail addresses, not this new e-mail address. This e-mail address is just to request work packs directly from the Mrs Tedford

Pastoral and Well-Being Support - To help pupils and parents adapt to the return to school, or continuation of Home Learning, we are offering an e-mail address for parents to use, if they are anxious or worried about the impact of returning to school, or staying at home, on pupils. You can contact Mrs Jane Furlong (Learning Mentor) directly using her work e-mail address:

mentors@nestonpri.cheshire.sch.uk

EMOTIONAL HEALTH

Plans Abandoned - The Government has abandoned plans for all children to return to school before the end of July. We will continue to support children by providing work, phone children and visit children – if needed.

It would be impossible to get all of our pupils return to school if we were to be expected to maintain 'Bubbles' of 15 children. We don't have the space, or staff, to create 14 bubbles. Lets' hope that things are simpler in September. [BBC News Article](#)

PLAN B - We had planned to open the school up to more pupils from 8th June, however this plan was altered due to the rise in the R-rate – infection rate. Each school will be assessing the situation individually. This means that some schools may have chosen to open up to Y6, Rec or Y1 pupils. We will look again at the situation before our next target date of the 22nd June.

Thank you to our School Governors for their support during this very challenging time. Their help, advice and providing an listening ear has been very valuable.

“Neston Calling - We are calling all families to check that you are all OK. Please remember - when we call, our number will be displayed as **0845 148 00 60** - please do not ignore the number or block it. Some staff will use ‘withheld’ when ringing from home too.

Keep in touch - I understand that not everyone is a fan of Facebook or Twitter, but please consider joining our Facebook group, as it is the quickest way for us to stay in touch with pupils and parents. Search for **‘Friends of Neston Primary School’** on Facebook or **@Neston_Primary_** on Twitter

THANK YOU - My thanks to those members of staff who are working in school to provide care for the children of ‘key workers’ and my colleagues working at home to support children and parents via e-mail, social media and our website. **Thanks also to parents, carers and friends of the school who have shown their support for me and staff via e-mail, Facebook and mail.**

Hampers - Thank you to those parents and friends of the school, who have donated items and money to us so that we can provide food hamper to families who are struggling at this time. If you would like to help – either, drop food off at the front door of school or contact the admin e-mail address to arrange donating money.

Mr Crane – Our Site manager – has been busy in recent weeks. He has decorated Reception Class, Fitted new ceiling tiles and lights in the entrance hall, continued to work on the bus, co-ordinated the repair to the Reception Class ceiling... he has been a busy bee!

Keep in touch - If you need any help or support regarding school-work, please e-mail the teachers directly.
