

# Hello and welcome to our school!

Written by the pupils of Neston Primary School

**We have made this leaflet for new pupils, in order to explain about our school.**

**You may be a little nervous, don't worry, we'll look after you and you will soon make lots of friends.**

- We have a bee as our school mascot, so you may see lots of bees around school.
- There lots of friendly teachers and teaching assistants in our school. Don't worry if you can't remember their names - you will soon know them all.
- Mrs Furlong and Mrs Tedford will help, if you have any questions or problems. You can talk to them anytime, not just when you are new to school.
- School starts at 8.50am when the bell rings and we all line up on the yard.
- First break is at 10.40am. We have a shop called the "Snack Shack" which is open each day - you can buy toast and a drink, if you want to.
- At break we can play with our friends, play football, basketball or play on the pirate ship or Jungle Gym.
- Lunchtime is 12.15pm - 1.15pm. The food served in the canteen is very good. You can bring sandwiches if you prefer.
- After school, before school and at lunchtime there are lots of clubs you can join.
- Infant children have a playtime during the afternoon.
- School finishes at 3.15pm - we all finish at the same time.
- Mr Golding is the headteacher and Mrs Elliott is the deputy- headteacher.

**Lots of children have joined our school - some at the start of the school year, some during the year, so you won't be alone. When you arrive a few children will be responsible for looking after you. They will show you around and answer any questions you might have.**

**Welcome to our school - The best school in Neston!**
